

NEPAL ADVENTURE PACKAGE

- ASK US ABOUT DATES -

This package is designed for those with an adventurous spirit who want to experience the sights of Nepal from the air and on the water. You will start your adventure by taking a 1 hour mountain flight which takes you up close to some of the highest peaks in the world including Mt Everest. You will clearly see and identify this peak as well as viewing the wonderous Himalayan mountain range and glaciers from your own window. Then it's time to get wet - rafting is one of the most exciting ways of exploring Nepal. You will find yourself zipping down the Trishuli River to explore the hidden landscapes, then camping on the riverbanks overnight. Finally your ultralight aircraft flight offers a breathtaking birds-eye view of Pokhara and the surrounding mountains. You can choose a 30 minute flight that will take you over Pokhara city, Fewa Lake, Sarangkot hills and closer to Machapuchare (Fishtail mountain), or the 1 hr option (askus re price) to explore the Annaupurnas from 12,000 feet or higher!! You will have time to explore the cities of Kathmandu and Pokhara at your leisure; or if you wish, we can arrange some additional adventures such as zip-lining or tandem hang-gilding in Pokhara, or perhaps cultural sightseeing: the options are endless. We would be pleased to have you join us for this adventure and to introduce you to our country and ways of life while you travel as part of my extended family.
